**Subject:** ads on busses

This is fine with both of us. The ads will NOT be billboards, and the Outdoor Circle should just get over it. We need the revenue and this is an excellent way to raise it.

Also, those opposed should start having someone cite the numerous cars and vans and trucks that are covered in self-promotion of businesses, like the one I see at the Waianae Mall that is basically a Fantastic Sam car.

Thank you for the chance to give you input.
